J/80 Worlds 2021

Newsletter - Week 17

onboard. Rate valid for both Vlaardingen routes, but is space permitting, as we have departures being fully allocated already. We can take the dialogue some weeks/days in advance identifying departures, where we space available.

Please notice that the shipper must comply with all customs formalities.

Dover/Calais-Dunkerque – special J/80 Worlds promotion price

| VEHICLE TYPE | RATE |
|----------------|-----------------------------|
| Up to 8 metres | € 116.00 per single journey |
| 8.1-12 metres | € 160.00 per single journey |
| 12.1-15 metres | € 175.00 per single journey |
| 15.1-18 metres | € 197.00 per single journey |

The above base rates are based on the expected volume (as shown above) and are exclusive of BAF, surcharges and VAT (if applicable). The BAF (fuel surcharge) is reviewed every month and you can follow this at www.dfds.com/en-gb/freight-shipping/baf-surcharges. Please note that we monitor volume regularly and if the volume level is not attained we reserve the right to review the freight rate accordingly.

Other surcharges

Hazardous Surcharge (per crossing) € 10.90

Additional passengers (per person) € 10.90

Excess Width Surcharge – Base rate increased by 10% for every 0.3m over the standard 2.5m width.
