

LATE BREAKING NEWS IMPORTANT INFORMATION

J/70 EUROPEANS 2021 – VERY IMPORTANT INFORMATION

A. Beware of shallow water and rock

South of the harbor close to shore there is an orange balloon buoy. It marks a huge rock below the surface. Do not use this mark as a mark in a training course

B. WIFI on the harbor

The event WIFI is now up and running.

C. Sailmaker service during the event

During the event there will be sailmaker-, spare parts- and repair service available.

North Sails Denmark

Will do day-to-day service on sails with pick up after racing and delivery the next morning. The van will be parked at the north end of the harbor between 1600 - 1630. Sails will be ready for pick up next morning from the van from 0830 - 0900. First pick up Monday 1630. Most common credit cards accepted.

Jakob Jensens Boatyard

Jakob Jensens Boatyard will supply spareparts. Contact Morten who is sailing on DEN1343 or Niels sailing on DEN1343. They have a huge stock of all kinds of J/70 parts.

Skovshoved Boatyard

Major damages on boats can be handled by Skovshoved Boatyard right next to the crane.

D. Crane lift after the event

We have had several request re. crane lifts after the regatta. We will come up with a solution in a few days - still we ask Danish boats to be the good hosts and wait until Sunday if possible.
